FOREWORD

IN TIMES LIKE THESE, WHEN GREAT BATTLES ARE BEING FOUGHT ALL OVER THE WORLD FOR THE CAUSE OF HUMANITY, PUBLISHING A YEAR BOOK WOULD SEEM INSIGNIFICANT. WE HAVE GIVEN CONSIDERABLE THOUGHT TO THE FEASIBILITY OF PRODUCING, AS USUAL, OUR SCHOOL ANNUAL. WE HAVE WEIGHED BOTH SIDES OF THE QUESTION "TO HAVE OR NOT TO HAVE." BUT AFTER THE FACTS HAVE BEEN THOROUGHLY CONSIDERED, WE FEEL THAT THE WORTH OF A YEAR BOOK SUCH AS OURS CANNOT BE UNDER-ESTIMATED—NOT ONLY BECAUSE IT REPRESENTS ONE OF THE VERY THINGS THAT WE ARE FIGHTING TO PROTECT AND SAVE IN OUR EDUCATIONAL SYSTEM, BUT ALSO THE TRAINING IN LEADERSHIP AND SKILLS WHICH REPRESENT DEMOCRACY IN ACTION.

DEDICATION

ON THE FRONT WALL OF THE STUDY HALL HANG TWO SERVICE FLAGS, ONE ON EITHER SIDE OF "OLD GLORY." THESE TWO FLAGS ARE SPOTTED WITH 180 BLUE AND 5 GOLD STARS, REPRESENTING THE FORMER HART HIGH SCHOOL STUDENTS NOW TRAINING OR FIGHTING ON THE DIFFERENT FRONTS OF THE WORLD, AND THOSE WHO MADE THE SUPREME SACRIFICE FOR THEIR COUNTRY. EVEN THOUGH THEY ARE FAR APART THEY ARE TOGETHER IN OUR THOUGHTS. WHETHER THEY BE IN NEW GUINEA, AUSTRALIA, ENGLAND, AFRICA, OR IN THE MANY DIFFERENT CAMPS IN AMERICA, WE STILL REMEMBER THEM AS THAT LAUGHING, JOKING GROUP OF BOYS, WHOM WE, THE SENIORS OF TODAY, ENVIED IN THE YEARS GONE BY. THUS, WITH GREAT PRIDE, WE, THE SENIORS OF '43, HUMBL Y DEDICATE THIS HARTIAN TO THEM.

BOARD OF EDUCATION

RALPH DUKES

GEORGE POWERS

CLARE BRIGHT

HARRIET ROLLINS

HENRY STEVENS

In this world torn by war and in a community such as ours where everyone's mode of living is changed because of the new demands of an all out war effort, we can consider ourselves fortunate to have at the head of our school system community leaders who have the experience and foresight to guide our school through these perilous channels.

Mr. Ralph Dukes has been a member of the board for the past 20 years, and in his quiet way now serves as president . . . Mrs. Harriet Rollins, vice-president, blends into the board's activities that gracious spirit that only a lady can give . . . Mr. George Powers, hard working secretary of the group has done an effective piece of work as secretary for many years . . . Mr. Clare Bright, treasurer, deserves credit for his conscientious service . . . Dr. Henry Stevens, junior member, outstanding basketball fan and enthusiast, has a large following among the kids, even though he is a dentist.

Dear Don:

Under the capable leadership of the president, Dan Hadiaris, the Student Council accomplished many valuable achievements this year including: buying the drapes for the library, the screen for our movies, the service flags, and started a recreational program for entertainment at noon, all of which we appreciate.

Various concessions provided the bulk of the entertainment such as "Shoe Shine Blues," "Bandanna Boys," "Jolly Coons," "Corny Capers," and "Dumbbell Circus."

The Main Show, "Jazz Capades," under the direction of the Misses Ryznar, Olson and Childs featured Bob Ducker and the Jive Bombers.

The Carnival held April 2 and 3 proved to be the most successful, financial and otherwise, of all of the projects to be undertaken by the Faculty and Student Body.

S. didn't see any of these games, unless, we happened to catch a glimpse of the girls as we dashed in and out of the gym on an unfounded excuse. But from what we hear the Juniors won the little tournament here in school. Pretty soon the girls will be sporting their big red H's.

MAY, 1943

HART, MICH.

WAR FAILS TO CURB ACTIVITIES

H. H. S. Presents a Four Act Play "From Beginning To End"

Characters—H. H. S. Students.

Act I.—The play takes place in 1939 at H. H. S. The characters are all Freshmen. This act seventy-seven parts; four play leading roles.

President, Jeanne Northrup; Vice President, Gene Boundy; Secretary, Allen Crosby; Treasurer, Joyce Kludy. Act I was directed by Mr. James Benjamin.

ACT II, 1941—The characters are now Sophomores. Leading characters are Lyle Burmeister, President; Margie Hipley, Vice President; Bernice Simon, Secretary; Donald Brubaker, Treasurer. During this act on April 18th a party was enjoyed by all of the high school students. It was decided that all of the characters would be able to get pins if they wished. Act II was under the direction of Miss Padbury.

Act III, year 1942—The characters are now hard working Juniors. They worked hard all year to earn money to put on a J-Hop for the Seniors. They gave a play "Laughing Gas" to help raise money for this purpose. They also sold candy at ball games. Money enough was made so that a J-Hop could be planned. The theme was "Aloha Oe." Everyone had a good time dancing under the palms and stars to the music of Frank Lockage. And so Act III started and ended with the leading characters; Jeannie Northrup, President; Martha Ann Hawley, Vice President; Jeanette Peacock, Secretary; Dick Grate, Treasurer; and directed by Mr. Malette.

Act IV—A long hard year 1943. We, the characters, have advanced to Seniors. Leading the cast were President, Dan H.; Vice President, Waneita Slocum; Secretary, Marian

Greiner Treasurer, Emmie Varenhorst.

Again the money situation comes up due to fact they are putting out a Hartian. They have a very competent editor, Marge Hipley. We raised money by giving a play "Wings Over Washington" and also giving dances after ball games. On March 19, everyone danced to the music of Ducker and his "Jive Bombers" at a party given by the Seniors. It was a hard year due to the present situation, but everyone worked hard to make it a successful worth while year.

Something Unusual For November 11

Instead of celebrating November 11 as usual this year the men of Hart and the high school boys (7th through 12th) grades, went out and gathered scrap. Over fifty trucks helped in the drive. A great amount of scrap was brought in.

The same day the school also started a stamp and bond sale. In March we had a total of 1,000 dollars. The students of Hart High all realize we must take our hats off to the past and our coats off to the future.

1942-43 Record Breakers

Nov. 29, started a big magazine campaign with Joyce Kludy as business manager. Ernie, an old friend of the students, came to the school and helped get the magazine sales started. The campaign ended with the school clearing \$266.65. This is the most ever made on this type of campaign. The money was used for a new movie screen, service flags, football lights, library drapes, and some was spent for prizes for those who did such a splendid job making sales.

As we looked ahead to this school year it was doubtful whether or not we would be able to continue our full program of school activities. The first and probably the most important problem that we had to face was that of transportation. Soon after school started we found that we would not be able to use our school bus for athletics, music groups, etc. We faced a shortage of necessary materials and a feeling that any non-essential activity should be curtailed.

But as school got under way one problem after another was met and solved. Gas Ration started about the first of December making it possible to travel by bus during the football season. It is true our attendance was smaller than usual but the spirit and enthusiasm was as great as ever.

With the cooperation of many business men and faculty members who donated their cars we were able to carry out our very successful basketball season. Although transportation for the band was almost impossible, this organization was one of our most active in war rallies and activities.

A complete activity program is essential in high school life as we know it today. Students learn by doing, and learn better when definite goals can be set for which to strive.

Here, in this section, can be seen the many activities engaged in; and it is our belief that the educational value received by those who participated far overshadowed any obstacle that they might have put in the path of our all out war effort.

Orchestra

This year's orchestra consisted of 23 members. They have not appeared in public very many times but the members attend their rehearsals and are always ready when they are called upon to play. They played at the Junior and Senior plays.

Junior Class History

The Junior class opened school with sixty-one members. Four determined but unhappy students were chosen as class officers. Boyd Trommater, President; Byron Converse, Vice President; Lawrence Smith, Secretary and Calvin Greiner, Treasurer. Mrs. Frost acted as Class Adviser.

The economic difficulties were met by the income from the many dances that the Juniors sponsored after the football and basketball games. So by the end of the year the Juniors will be sitting high and dry with a swell allowance for the J-Hop.

The Junior Party was held in the good 'ol Hart gym on December 18, with a Christmas theme. But the main event of the season which is sponsored by the Juniors and looked forward to by many is the annual J-Hop. Even though Uncle Sam has rationed many essential things, the Juniors are going to put on a big party, and we hope everyone will have a swell time.

Sophomore Class

"Good things come in small packages" is a saying which seems to apply to the Sophomore class this year, which is the smallest in the high school, having a total enrollment of fifty students after losing six to other schools. We have had a very successful year under the supervision of Mr. Decker.

The first meeting of the year was for the election of officers. Those elected were: Robert Straley, President; Joe Gamble, Vice President; Helen Osten-Sacken, Secretary, and David Griener, Treasurer.

The first activity the class undertook this year was a short party given the week before Christmas at which the members of the class exchanged presents which were later given to the Goodfellows.

A successful party, April Antics, was given by the Sophomores for the entire high school on April 9th.

The class decided to have class pins which would serve to remind them of the happy year spent in the tenth grade of Hart High School.

Freshmen

In September, 1943, the Freshmen also started out with about 67 members.

After a few weeks we chose our class officers. The following were elected: Wilma Beadle, President; Dan Highland, Vice President; Richard Hinchman, Treasurer; Carol Taylor, Secretary. Our class adviser was Mrs. Hannigan.

At the Carnival the Freshmen put on a side show, called "Corny Capers," which included several singing and dancing numbers.

On May 3, 1943, our class gave its annual party. A good time was had by all.

Band

Even though the school was shy of teachers this year we were able to have a band. The number of members decreased from 52 to 43, losing 18 old and gaining nine new ones. All of the long trips have been canceled due to the present situation, but the members, along with the instructor, Mr. Schestag, are doing their best to make it a success. Even though they can't go on their trips they have taken part in many activities at school, such as patriotic rallies, basketball games, and assemblies.

Swing Band This Year

Something out of the ordinary was started this year. For the first time H. H. S. had a swing band. It was popularly known as the "Hart Jive Bombers." The band made its first appearance at the Junior Party, then played at Shelby where it received many compliments. It also played in the main show of the Carnival and a few other engagements in the latter part of the year. The personnel of the band consisted of Bob Ducker, trumpet; Walter Churchill, clarinet; Leolah Ruggles and Bob Straley, saxes; Dan Sayles, piano; Dan Hadiaris, drums; and Nina Krantz, vocalist.

Twilight Twirl

This year the Juniors bid farewell to the Seniors with a garden effect, spring decorated Junior-Senior prom.

The banquet was held at the Masonic Hall. The Sophomores served a very delicious banquet, after which, a toast was given to the Juniors by the Senior Class President, Dan Hadiaris; and Boyd Trommater, President of the Junior Class, gave a toast to the Seniors.

Later there was dancing in the gym, which was beautifully decorated.

Junior-Senior Prom was very formal, and everyone had a good time at the "Twilight Twirls."

Valedictory

Friends:

In the hearts of us who are departing from Hart High School tonight, there is a feeling of pride, joy, and hope, mingled with sadness and anxiety. We are proud because we have accomplished a great deal while working toward the final goal of graduation. We are proud that many of these boys graduating here tonight will in the near future become a part of the greatest fighting force in the world—that of Uncle Sam. Only yesterday they were mere youngsters playing "cops and robbers" and "cowboy and Indians." Today, what a different situation! The safety and security of our great nation depend on the fighting spirit of these boys and on our ability to cope with ever-rising trials and tribulations of the world.

Our joy is a result of the lasting friendships which have developed through association with our classmates. The sadness we are experiencing at this time is caused by the necessity of each of us going in a different direction—following our own life's pattern. We have enjoyed each other's companionship immensely and will long remember our pleasant experiences in Hart High School.

Our anxiety—because we wonder what the future holds for us. Life itself is so unpredictable. We're hopeful of a better world of tomorrow because we ourselves are determined to make it so. We have a great task before us. We won't fail. We'll meet life's challenge with all the zeal, enthusiasm, and courage we can muster—never once forgetting, teachers and parents, how invaluable your guidance and understanding have been to us at a time when we most needed it.

Small Time Stuff

Our little Lightning men were a bit unfortunate this year due to traveling facilities, they were unable to compete with other schools. Although they were able to have a few practice meets with Shelby. They also gave us many enjoyable moments playing their very best, between the halves in the varsity games, which served as enjoyable

entertainment. The ones participating are as follows:

Seventh: Delbert Brimmer, Jack Pristle, Richard Bruckman, William Brusstar, Sonny Decker, Claude Fuller.

Eighth: Jimmy Dexter, Dale Gowell, Ted Hodges, Reynolds Jonassen, Arthur Wilhelm, Alan Stover, Wallace Reid, Bill Keck, Tom Keck.

Salutatory

Parents, Teachers, and Friends:

We, the Senior Class of 1943, have definitely arrived at a crossroads in the period of our lives. For four long years, most of us have been together. Now we are about to take different roads from this point onward.

This ceremony which you will witness tonight, will undoubtedly be the last time we will be gathered together as a class, and on behalf of the class, I extend to you a very hearty welcome to help us celebrate this memorable occasion—an occasion to which we have looked forward since the beginning of our school days.

It is our job today to win this war, fighting for the ideals of a democracy—freedom of speech, press, religion, and freedom from want. Our tomorrow's job is a much greater one. We must help in the firm establishment of a real world peace—a peace based on the highest ideals of a true democracy—of a Christian brotherhood—of the principles of true friendliness, of faith, and love.

Through the education facilities which you as a community have offered us, we shall be better trained to accept this job, and each one will endeavor to do his best.

To one and all, we thank you for your co-operation, your help and your encouragement in making it possible for us to have this education which will prove invaluable.

—Joyce Kludy

Girls' Quartette

The girls' quartette consisting of Anita Shogren, Loretta Ziegler, Ruth Jean Moore, and Bernice Simon, have had a successful year, under the direction of Miss Stephanie Ryznar.

They have appeared at several different social gatherings, and at the Carnival. A few of the arrangements they have sung are: "Blue Skies," "The Man I Love," "On The Old Assembly Line," "Sunrise and You." They were enjoyed by all.

Varsity Basketball

We had a very successful basketball season this year, in fact it was almost perfect. To start the season we played St. Simon's as usual. We won 41-16. Kap scored 13 and Riley 10. He also played a fine defensive game.

North Muskegon was next. We got revenge for last year's tournament defeat to the tune of 37-17. It was a little rough with 36 personals called.

We beat Whitehall the next Friday 30-29 with Joe dropping in a free throw for the winning point.

Fremont put up a good battle but were unable to cope with our height and speed. Simons, substitute forward, played a fine defensive game the last quarter. The final score was in our favor, Joe 18—Kap 14.

North Muskegon came to Hart and we took revenge for our football loss this year. Final score 48-28, with Mack & Kap getting 13 apiece.

We had an interesting game with Montague scoring 20 points and having a total of 34 fouls called. 35-20.

Manistee was probably the best team we played this year. Trommter, reserve forward, got his chance and looked good playing a fine defensive game. Final score Hart 35—Manistee 29. Kap 10.

Our next opponent was a green, Shelby team. Final score 62-22 in our favor. Lyle, guard, did a good job of taking the ball off the backboard the last quarter. Lyle made two clever baskets.

Scottville ended our winning streak at 32 games. Scottville was wide awake and we were sleeping as the score shows. Scottville 31—Hart 25.

Whitehall came down expecting to win but went back feeling differently. Riley and Lyle showed fine ball handling exhibition. 41-23.

Fremont put up a tough battle, but Burmeister playing a fine game at guard position making it hard for Fremont to get more than one shot at the bucket. We won 44-22.

Shelby, a green but game team, found difficulty in hitting the hoop. Riley, who played a fine defensive game, also flashed some offensive ability scoring 10 points. Final score: Hart 64—Shelby 30.

The small Montague floor almost proved disastrous to us. Final score 37-27, our favor.

Hart's revenge over Scottville

was sweet; not only did we beat them but we set all time scoring records. Final score 80 to 10. Mack got 27, new record. Riley and Burmeister got 22 between them and showed excellent ball handling ability.

Tournaments proved very successful for us this season as we took a crown by defeating Scottville 50 to 20 and overcoming a strong, smooth Newaygo team 53-33.

All in all we had a very successful season, scoring 638 points, to our opponents 320 in 14 regular season games, 103 points to 53 points; in the tournaments.

Football Thrills

We played St. Mary's first again this year and beat 14 to 7 on a long pass in the closing seconds of the game, which proves history can repeat itself.

The Scottville game we capitalized on every break. Kapulak intercepted two passes for touchdowns. Kapulak and Foy in the backfield and Ducker and Wilde on the line played fine games.

Montague was our next opponent. They played a very good game, showing a powerful line play offense. The final score saw Montague in the lead 6 to 0.

We used a new line up against Whitehall which showed outstanding power. We took them 23 to 0. But in winning we lost Mose Wilde, our regular center, who broke his leg. Mack and Riley led the way.

We found some tough opposition at Fremont as the final score showed 13 for Hart and 7 for Fremont. Burmeister played an outstanding game on the line and Lambrix and Bernard Tate.

Probably the outstanding game of the season was with North Muskegon.

You would really have enjoyed seeing it. Of course, they beat us 13 to 0 but it was the toughest game they had to play. Mack and Riley played fine ball in the backfield and Crosby, Stevens, and Brubaker stood on the line.

For the last game of the season we journeyed to Shelby and when the dust of the battle cleared away we were ahead 19 to 7.

This was the last game for 10 Seniors and they really played good ball.

Baseball '42

Our baseball season proved very interesting and successful. We came through our first game, Pentwater, taking them 5 to 1.

Whitehall not only invaded us but knocked us off for our only defeat, final score 13 to 8. Whitehall's favor.

Pentwater put up a fine ball club for our second game with them. It was a close one—Hart 5-Pentwater 4.

We showed a fine fielding and hitting team taking North Muskegon 13-7.

Montague showed probably one of the best teams in the conference. Final score Hart 4; Montague 1.

The Muskegon Heights game proved to be the outstanding game of the season, with final score 7 to 1 in our favor.

We played Montague again for the last game of the season and showed great power at the plate. Hart 12; Montague 3.
